## **California Labor Federation Votes to Endorse Garamendi in CD 10**

**(Sacramento, July 23)** -- Citing Lt. Governor John Garamendi's more than 30-year record in support of working families, the California Labor Federation voted today to endorse him in the race for Congressional District 10.

"John Garamendi is a tireless advocate for working families and will serve California well in the U.S. Congress," said California Labor Federation Executive Secretary-Treasurer Art Pulaski. "In more than three decades of public service, Garamendi has distinguished himself as a true champion for California's workers."

The Labor Federation noted Garamendi's leadership in education, health care and job creation, adding that he'll be a strong advocate in Washington on those and other issues.

Pulaski also expressed high regard for State Sen. Mark DeSaulnier, who is also running in CD 10, adding that working families continue to consider DeSaulnier a close friend and key ally.

The Labor Federation also endorsed Steven Bradford to succeed Curren Price in Assembly District 51.

*The California Labor Federation is composed of more than 1,200 AFL-CIO and Change to Win unions, representing 2.1 million union members.*
